**CELEBRATING EARTH DAY 2026 - OUR POWER OUR PLANET**

**THEME - TREE CANOPY**

Did you know that one of the most effective tools against climate change is right here in our church grounds?

Bonnybrook Parish takes up its power to create a healthier planet by planting our pocket forest and native hedgerows

Trees absorb greenhouse (poison) gases in the atmosphere

Trees lower air temperature and help prevent global warming

Trees give a safe place for insects and animals

Trees cool city streets and reduce energy use

Trees soak in air pollution and in this way clean our air

Trees create a place for relaxation and beauty

**"Alone, we can do but little, together, we can do so much"**

### Gluten-Free Holy Communion

Parishioners who are gluten intolerant are kindly informed that gluten-free hosts are available during the celebration of the Eucharist. If you wish to receive this, please come to the side of the Altar when the Ministers of the Eucharist are waiting to receive their Communion.

Lay Ministry Appeal

Lay Ministry Sunday, and the Associated Lay Ministry Appeal, takes place on the weekend of May 2/3 and will replace the Share collection. This year's theme is Building faith-filled communities. Thank you for your support.
