Are you feeling trapped, aimless, or "stuck" in life? Are you tired of running into brick walls or up endless cul-de-sacs? Is your life in chaos because of a recent bereavement, illness, a broken relationship or the loss of a job? Then, you are in what is often called "threshold" or "liminal" space.

MALES (Men as Learners & Elders) Ireland are running a weekend programme (either day or residential) for men like you in Castletown beginning with evening meal at 6pm on 15th November and concluding with Sunday lunch at 1pm on Sunday 17th November. Using meditative practices,

drumming, circle time, reflective nature walks, creative rituals and personal storytelling, you'll explore with other men the reality of your experiences in a sacred, safe and confidential environment.

### Church Choir

Many parishioners have mentioned how much they miss having a choir in the church, and we would love to bring it back.

To do so, we need both a musical director and a musician.

Please help us spread the word - if you know anyone who might be interested, we'd love to hear from them!

### Defibrillator Training

Bonnybrook Parish are inviting a group of 10 volunteers to participate in defibrillator training. This is a valuable opportunity to gain essential life-saving skills and learn how to effectively use a defibrillator. If you are interested in attending, please contact the parish office at 01 8485262. Once we have enough participants, we will schedule the training session.
