CHARITABLE DONATIONS SCHEME

The Parish is preparing to submit a claim to Revenue for a rebate on charitable donations received from our parishioners. **This is no extra cost to you (the donor)** and will benefit the parish enormously on donations you have already given. We are beginning with the year 2016 so anyone who has donated in excess of €250 (€5 or more per week) in 2016 will receive a letter in the post during this week and you will be asked to sign the CHY3 Form. This applies only to those who may be paying taxes through their employment or pension. If you receive this letter please return it to the Parish Office as soon as possible. All money refunded will go towards future parish projects and renovations. Some people have already signed this form and if you have we say "Thank You".
